

Henri Godbold,
MD

Henri Godbold provides pediatric medicine, internal medicine, and ambulatory care. He collaborates with DMC as an associate physician. Dr.

Godbold is a native Detroit and received his education at Wayne State University and the DMC. His favorite part of his job is educating patients about preventative care and nutraceuticals, and his favorite aspect of the community he serves is their diversity. In his free time, he enjoys being outdoors in the sun. He enjoys listening to jazz, cycle, house, and Christian music, and R&B.
